Registered Childminders

Lorna Wagner

07734 734026

Romsey  
Hampshire

For many families childminding is the preferred choice of care and education service because:-

- The hours are flexible - full-time, part-time, overnight, weekends
- The service is widely available in the family's own community
- Siblings of carrying ages can be catered for in the same setting
- Home-based care can be provided from birth to 14 years
- Childminder can offer support to parents bringing up their children

All registered childminders must meet the requirements of registration laid down by Ofsted and meet the requirements of Early Years Foundation Stage.

Romsey Childminding Association is a support group that offers information to childminders and a vacancy co-ordinator service for parents looking for a childminder. The group meet weekly on Friday mornings at the Appletree Centre, 9.30 - 11.30am, term time only, Methodist church alternate Thurs 9.30am - 11.30am, Little Oaks Children's Centre alternate weeks. For more information contact Bev Bosanquet on 01794 518163.

### Thinking of Becoming a Registered Childminder?

If you are considering this as a career, we would be very pleased to hear from you. It can be a hugely satisfying occupation that fits in perfectly around your own children, school holidays etc. and can be part or full time according to how you want to run your own business. There is a great deal of support available to newly registered childminders, through the support scheme run by NCMA. Contact Lorna Wagner for more details.
